

Ballston Spa's 'Tippy Bowl' now open

Mo Barker, managing partner, has announced the purchase and transformation of the former Ballston Spa Lanes into Ballston Spa's Tippy Bowl. "Not only am I renovating the bowling center physically, but I am also revitalizing the attitude of the center," Ms. Barker stated.

Mo Barker has worked and learned for the past 134 years under the tutelage of Karl Wolf at Hi Roc Lanes in Saratoga Springs and Imperial Lanes in Amsterdam. "Karl is considered to be one of the fairest bowling proprietors in the Capital Region and in my mind across the country. I plan on bringing over the strategies that have worked for Karl in the past."

Ballston Spa's Tippy Bowl will feature leagues for kids, adults, seniors and families. The staff will include a US Silver Certified Coach to provide instruction to all ages. Nancy "The Candy Lady" Gardner

will be operating the newly-built snack bar. "Nancy has developed a great menu that features favorite foods like pizza, subs, chicken and burgers." Customers can also enjoy video games or relax in the renovated lounge, watching sporting events on the multiple screens.

Ballston Spa's Tippy Bowl will be geared toward the community, offering packages for families and kids. Mo Barker's desire is to develop a great place to host fund raisers for the community, parties for your company and birthday parties for your kids. Mo Barker states that, "I've only been in there just over a week so it's not done yet, but it's a work in progress."
